

Tired of poor returns on your savings?

**We can help.**

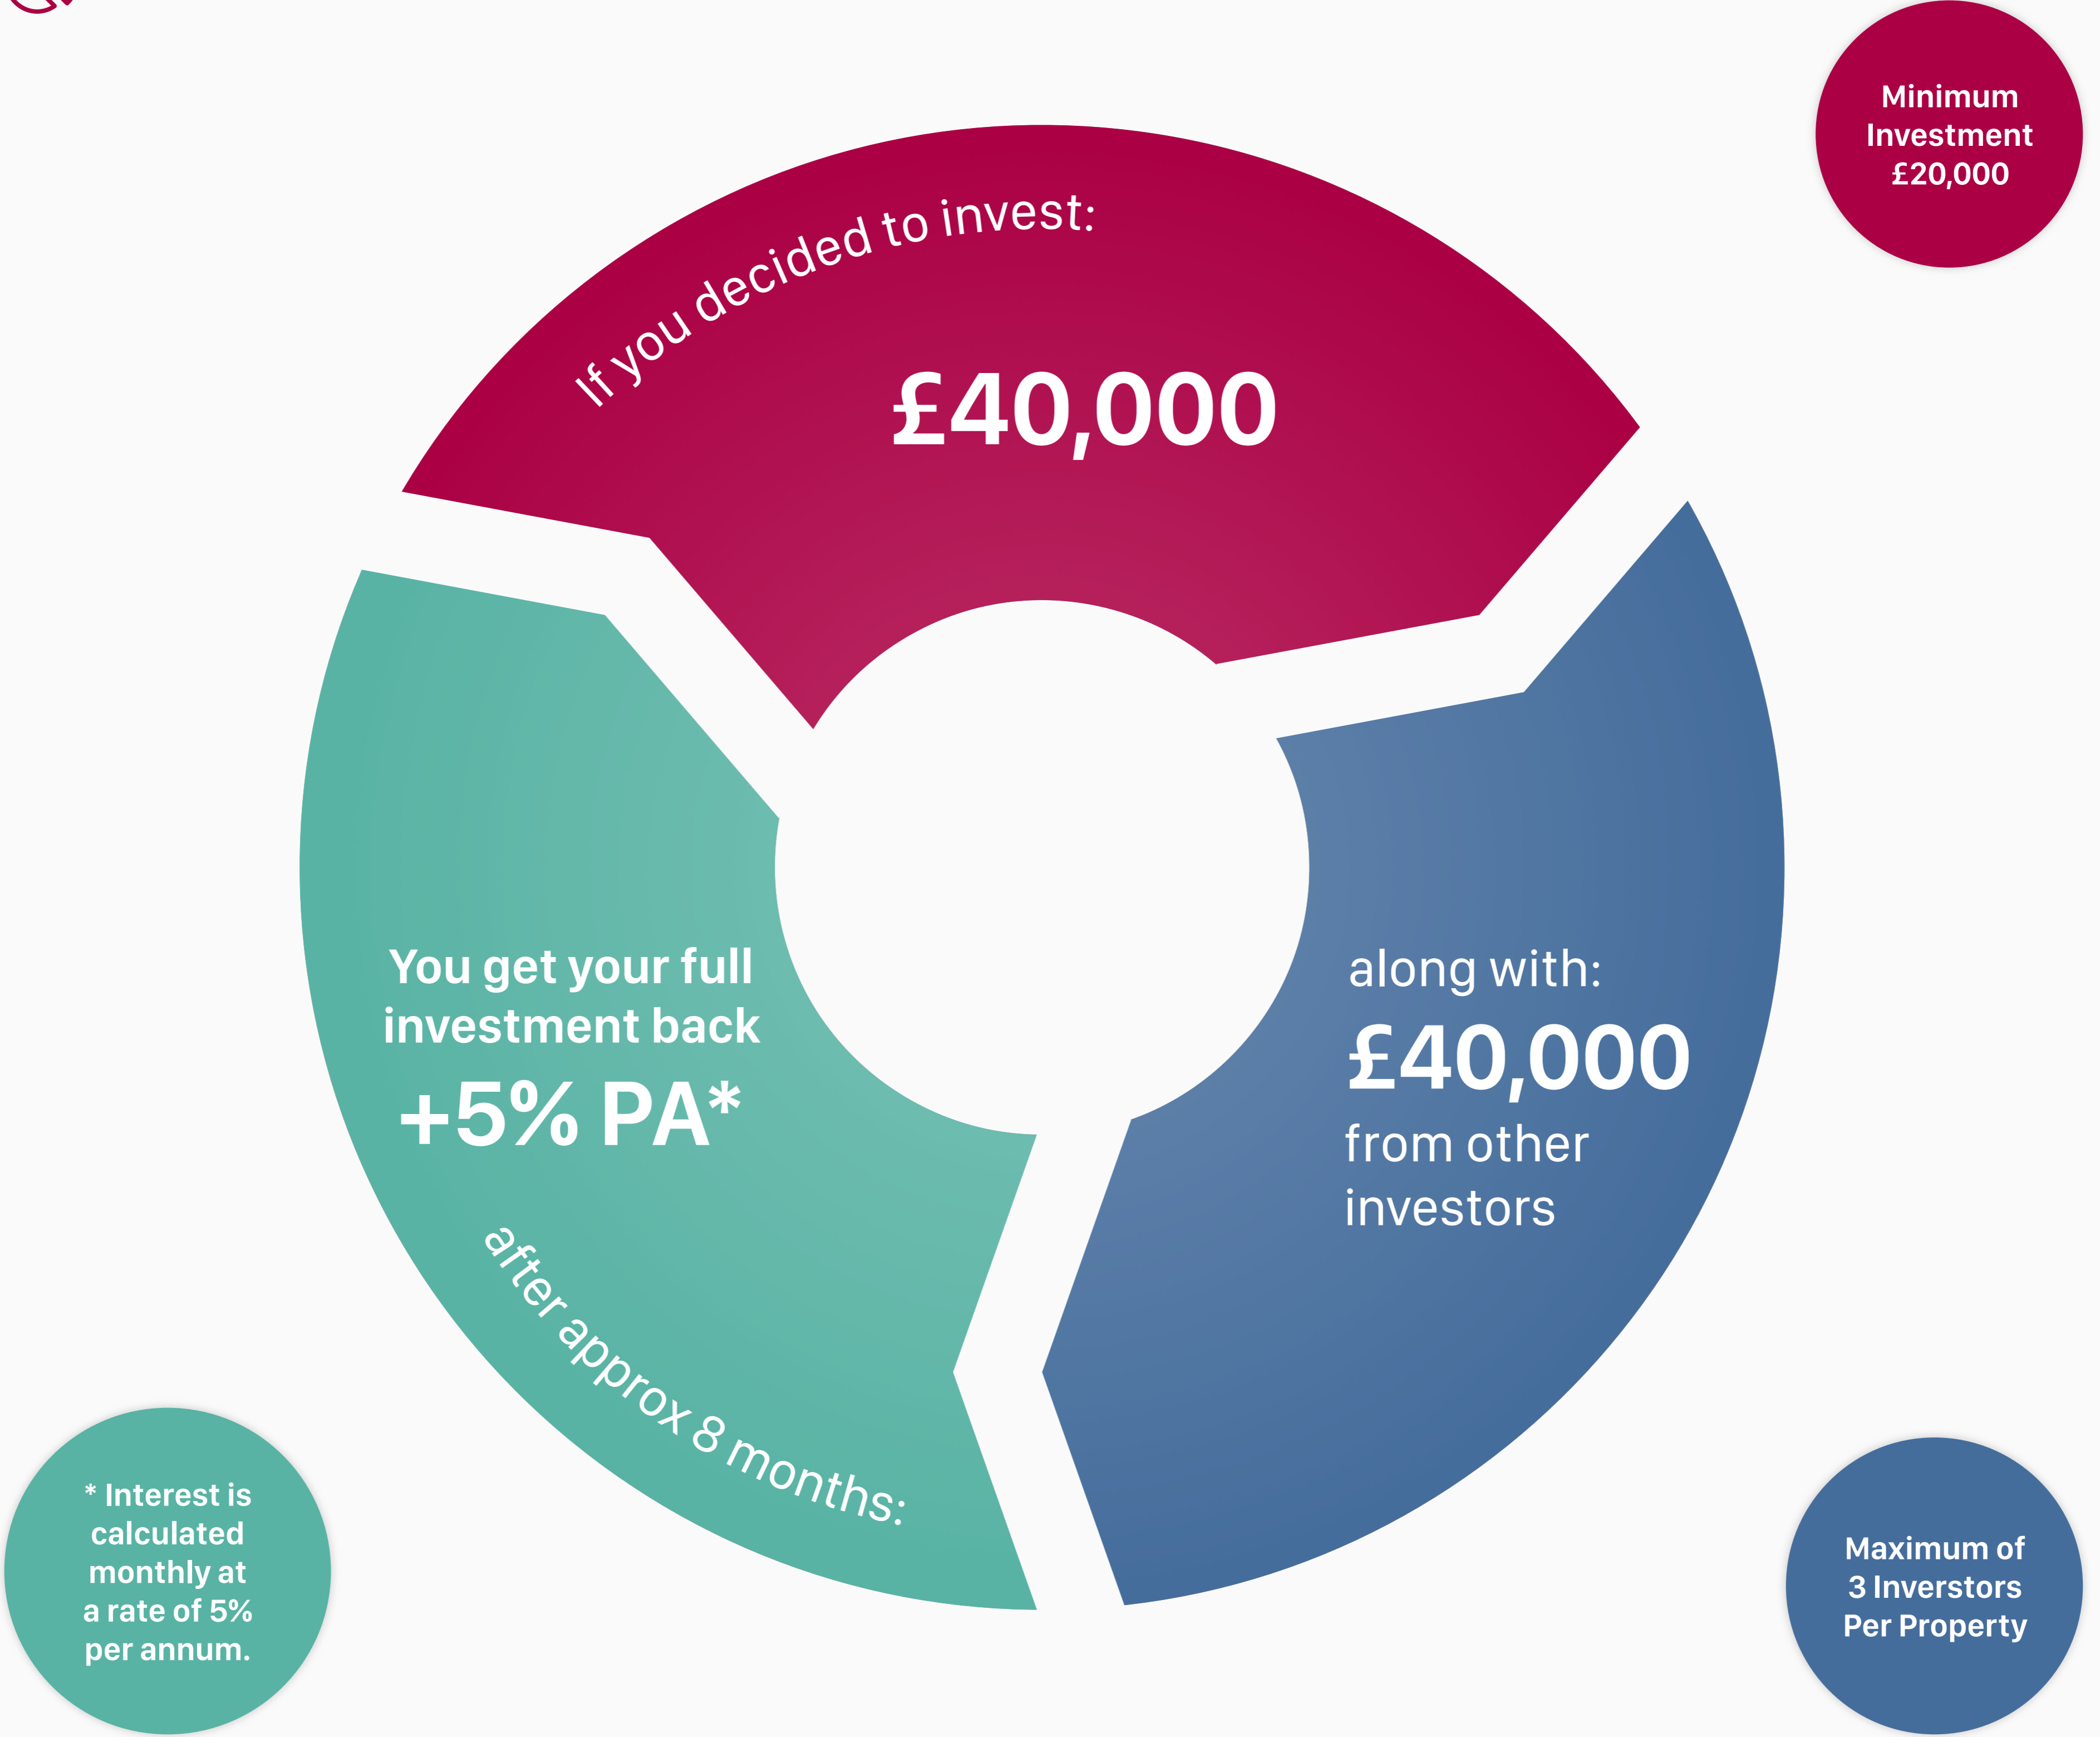

**5% returns** on your savings. **Guaranteed.**

HERE'S A TYPICAL EXAMPLE OF THE PROCESS:

AND HOW YOUR INVESTMENT WOULD BE USED:

HERE'S WHAT YOUR RETURNS WOULD LOOK LIKE:

With a **£40,000** investment in **Revilo Properties**, after just **8 months** you would receive returns of **£1,333**.

Whereas, with a **£40,000** investment in the **market leading Cash ISA**, after **8 months** you would receive returns of just **£403**.

AND A FEW POINTS FOR YOUR PEACE OF MIND:

- Interest can be **paid back monthly** or in **one lump sum** upon repayment of your original investment.
- **Why 8 months?** You can typically mortgage a property **after 6 months of ownership** - the extra 2 months allows for mortgage processing times which can be slow. We **proactively manage the process** to ensure your **investment is returned ASAP**.
- Your money will be **secured against the property** by way of a **first legal charge on the property**. This is the same as a **mortgage lender has on a property**, meaning your **investment is fully protected**.
- If for any reason you stop receiving interest or the project ceases - you have **the legal right to repossess the property** and sell it to recover your investment.
- All this will be **drawn up and signed in legal documents**, at **no extra cost to you**.
